

Variety of Party Wear

INTRODUCTION

Party wear fashion has changed drastically over the years. In the early years of the past century, global and economic events had a direct impact on our styles. A party dress is a dress worn especially for a party and it bring confidence in people as well. Different types of party such as children's party, cocktail party, garden party, costume party, kitty party, birthday party etc would tend to require different styles of dress. It make us feel special and bring happiness in many faces.

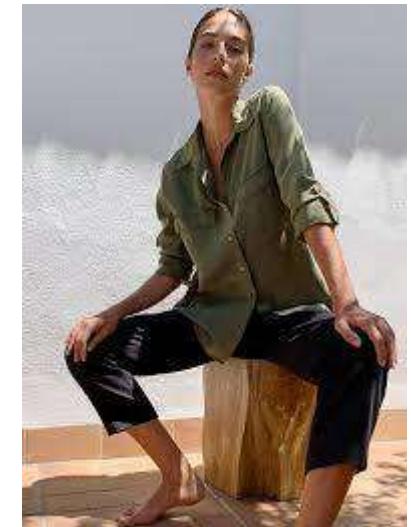

A watercolor-style illustration of a woman in a formal gown. She is wearing a green and blue sequined or shimmering dress with a deep V-neckline and a full, flowing skirt. Her hair is styled in an updo, and she is wearing high-heeled sandals. She is standing with one hand on her hip and the other holding a small clutch bag.

CONCLUSION

So, here we would like to end our presentation by telling how important the clothing is. Clothing reflects our personality from the way we look, so it have a very significant role to play in our life. Some people think “opinions” don’t matter, “impressions” might do which is why “dressing” most certainly matters.
